

Report to:	Performance Scrutiny Committee
Date of Meeting:	16 May 2013
Report Author:	Scrutiny Coordinator
Title:	Scrutiny Work Programme

1. What is the report about?

The report presents Performance Scrutiny Committee with its draft forward work programme for members' consideration.

2. What is the reason for making this report?

To seek the Committee to review and agree on its programme of future work, and to update members on relevant issues.

3. What are the recommendations?

That the Committee considers the information provided and approves, revises or amends its forward work programme as it deems appropriate.

4. Report details.

4.1 Article 6 of Denbighshire County Council's Constitution sets out each Scrutiny Committee's terms of reference, functions and membership, whilst the rules of procedure for scrutiny committees are laid out in Part 4 of the Constitution.

4.2 The Constitution stipulates that the Council's scrutiny committees must prepare and keep under review a programme for their future work. By reviewing and prioritising issues, members are able to ensure that the work programme delivers a member-led agenda.

4.3 For a number of years it has been an adopted practice in Denbighshire for scrutiny committees to limit the number of reports considered at any one meeting to a maximum of four plus the Committee's own work programme report. The aim of this approach is to facilitate detailed and effective debate on each topic.

4.4 The Committee is requested to consider its draft work programme for future meetings, as detailed in appendix 1, and approve, revise or amend it as it deems appropriate taking into consideration:

- issues raised by members of the Committee
- matters referred to it by the Scrutiny Chairs and Vice-Chairs Group

- relevance to the Committee's/Council's/community priorities
 - the Council's Corporate Plan and the Director of Social Services' Annual Report
 - meeting workload
 - timeliness
 - outcomes
 - key issues and information to be included in reports
 - officers and/or lead Cabinet members who should be invited (having regard to whether their attendance is necessary or would add value)
 - questions to be put to officers/lead Cabinet members
- 4.5 When considering future items for inclusion on the forward work programme members may also find it helpful to have regard to the following questions when determining a subject's suitability for inclusion on the work programme:
- what is the issue?
 - who are the stakeholders?
 - what is being looked at elsewhere
 - what does scrutiny need to know? and
 - who may be able to assist?
- 4.6 As mentioned in paragraph 4.2 above the Council's Constitution requires scrutiny committees to prepare and keep under review a programme for their future work. To assist the process of prioritising reports, if officers are of the view that a subject merits time for discussion on the Committee's business agenda they have to formally request the Committee to consider receiving a report on that topic. This is done via the submission of a 'proposal form' which clarifies the purpose, importance and potential outcomes of suggested subjects. No such proposal form has been received for consideration at the current meeting.
- Wales Audit Office (WAO) Annual Improvement Report
- 4.7 The annual report on the Council's performance was rescheduled from the Committee's last meeting to the current one. However, as the Council has only recently received the draft version of the Annual Report from the WAO, the final published version was not available in time for submission to the current meeting. Consequently, with the Chair's permission, the Report has been rescheduled into the Committee's work programme for its June meeting. As a result, the Committee will have five items plus the work programme report for consideration at its June meeting. A similar situation will arise in September. Members are therefore asked to consider whether they are happy to proceed with this number of agenda items for the June and September meetings or whether they wish to reschedule any of the reports to a future meeting, or receive any of them as information or consultation reports outside of the formal meeting.

Cabinet Forward Work Programme

- 4.8 When determining their programme of future work it is useful for scrutiny committees to have regard to Cabinet's scheduled programme of work. For this purpose a copy of the Cabinet's forward work programme is attached at Appendix 2.

Progress on Committee Resolutions

- 4.9 A table summarising recent Committee resolutions and advising members on progress with their implementation is attached at Appendix 3 to this report.

5. Scrutiny Chairs and Vice-Chairs Group

Under the Council's scrutiny arrangements the Scrutiny Chairs and Vice-Chairs Group (SCVCG) performs the role of a coordinating committee. The SCVCG met on 16 April and no items were referred to Performance Scrutiny Committee for consideration.

6. How does the decision contribute to the Corporate Priorities?

Effective scrutiny will assist the Council to deliver its corporate priorities in line with community needs and residents' wishes. Continual development and review of a coordinated work programme will assist the Council in monitoring and reviewing policy issues.

7. What will it cost and how will it affect other services?

Services may need to allocate officer time to assist the Committee with the activities identified in the forward work programme, and with any actions that may result following consideration of those items.

8. What consultations have been carried out?

None required for this report. However, the report itself and the consideration of the forward work programme represent a consultation process with the Committee with respect to its programme of future work.

9. What risks are there and is there anything we can do to reduce them?

No risks have been identified with respect to the consideration of the Committee's forward work programme. However, by regularly reviewing its forward work programme the Committee can ensure that areas of risk are considered and examined as and when they are identified, and recommendations are made with a view to addressing those risks.

10. Power to make the decision

Article 6.3.7 of the Council's Constitution stipulates that the Council's scrutiny committees must prepare and keep under review a programme for their future work.
