Sylwadau pellach / Further comments.

| 1. | I think we did a good job here in the North. Good balance of presentations and workshops. |
|-----|---|
| 2. | Very worthwhile exercise. Informative, lively, information sharing. |
| 3. | Very well organised in all respects. |
| 4. | Very well organised and useful. Well chosen topics. Good venue and good facilities. |
| 5. | Very enjoyable and good Conference. |
| 6. | Should have started at 9 or 9:30. Most stayed overnight or were within 1 hours drive |
| | Standards documents too large |
| | Perhaps One Voice Wales representative should be invited? |
| 7. | I'd suggest that the Conference should have started earlier in the day. Those that travelled from |
| | South Wales probably all stayed the night before. |
| | Conference should have finished therefore at 15:30. |
| | Conference was excellent. |
| 8. | Diddorol dros ben. Dim digon o drafod/gwaith grŵp yn Gweithdy 1C. Trefniadau da / |
| | dwyieithog. Very interesting. Not enough discussion/group work in Workshop 1C. Good |
| | organisation/bilingual. |
| 9. | Would have liked longer to discuss Workshop 1A/2A – Promoting Standards. |
| 10. | Would have preferred all the conference materials to be on the web or e-mail. The contents were |
| | very heavy to transport and a waste of paper. Could have condensed the day a little to perhaps |
| | start at 10:00 to enable us to get home earlier. Would be easier on a midweek day. |
| | Good use of bilingual communications. |
| 11. | Found documentation awkward to negotiate. |

| 12. | Generally good – but not as good over the whole range as the last 2/3 annual events have been. |
|-----|--|
| | Venue (although at the opposite end of Wales for me) was very good. |
| 13. | Nid oedd y brif neuadd yn lleoliad delfrydol ar gyfer y gweithdai (rhy fawr ac amhersonol!) |
| | At y dyfodol, byddai'n ddefnyddiol pe bai'r dogfennau i aelodau'r gynhadledd gynnwys rhestr o'r |
| | holl aelodau, gan nodi pa Gyngor oeddent yn ei gynrychioli. The main hall was not ideal for the |
| | workshop (to big and impersonal). In the future, it would be useful if the documents contained the |
| | names of all the delegates attending, together with the Council they were representing. |
| 14. | Cynhadledd wedi ei threfnu'n dda gyda chynnwys ardderchog. Diolch! The Conference was well |
| | organised with excellent content. Thank you! |
| 15. | <i>Workshop 1C</i> – We didn't have the opportunity to work in small groups although tables were |
| | arranged to provide just the opportunity. |
| | I would have welcomed more workshop sessions, shorter lunch break if necessary. |
| | I would have been happy to forego the cost of having conference documents in English and Welsh. |
| 16. | Page numbers needed on brochure. |
| 10. | Morning group sessions not enough "Group Work". |
| 17. | Balance of Workshops/Plenary – just right. |
| 17. | Location – excellent – easy to find and very pleasant vicinity, good facilities. |
| 10. | |
| | Refreshments – very good. |
| 10 | Food – poor – satisfactory – very heavily bread orientated, good fruit sticks option. |
| 19. | Members should have been asked prior to arriving if they wanted material in English or Welsh as of |
| | this document is waste! |
| | 1B – too rushed – needed 2 hour slot. |
| | 2C – Single Purpose Authorities was poor |
| 20 | - Registration on interest was good. |
| 20. | Venue could have been warmer and it would have been nice to have had some form of soft drink |
| 01 | save for water. Otherwise – Excellent! |
| 21. | As a new member of the Standards Committee I have found the conference to be extremely helpful. |
| 22. | Da Iawn. Very good. |
| 23. | Excellent conference pack, well organised and relevant. |
| 2.1 | 2C – This took the form of a presentation with questions rather than a workshop. |
| 24. | It is encouraging to see the degree to which all participants engaged with the issues, are willing to |
| 05 | share and learn from good practice. |
| 25. | A useful and informative day. Thank you. |
| 26. | The need for mandatory training per town and community councils on the code is foremost. We |
| 27. | have to sign to state we have read this when elected but not all understand. Well Done. Prior commitment prevented attendance to morning session. |
| | |
| 28. | Excellent venue and welcome from staff-organisers. I feel that once again Community Councils |
| 29. | were disregarded in view of what they do and achieve re training in Standards. |
| 30. | Excellent – particularly hearings and sanctions. |
| 50. | Excellent conference. Acoustic conditions in workshops not good. Microphones needed. Food |
| 01 | excellent. |
| 31. | The workshop in interests wasn't really a workshop with participations. |
| 32. | Conference materials overblown. Shiney paper not good. Papers very difficult to find ones way |
| 22 | around. Liked idea of allocating people to tables for workshop sessions. |
| 33. | Really good conference, well done to everyone involved in organising the day. |
| 34. | At my first Standards Conference I found it very interesting and enjoyed hearing from others. The |
| | setting of the venue was much enjoyed! It was good to be able to chat to those with so much more |
| 25 | experience. |
| 35. | Really useful – lots to think about. Look forward to receiving conference notes. |
| 36. | No further comments required. An informative and enjoyable conference. |
| 37. | Wedi mwynhau'r profiad ac wedi dysgu llawer. Cynhadledd wedi ei threfnu yn dda. Diolch am |
| | gael bod yna. Enjoyed the experience and have learnt a lot. Conference was well organised. |
| 00 | Pleased that I attended. |
| 38. | A very good day. |
| 39. | Very enjoyable and good to meet other members. More time for Workshops would be good. |
| 40. | I spent the first few minutes of each session trying to find the slides in the conference pack. Rather |
| | confusing – please could it be improved, at least with page numbering. |
| | |
| | |

| 41. | Gormod o ddeunydd yn sleidiau Gweithdy B. Fformat Gweithdy A yn llawer gwell a mwy |
|-----|--|
| | rhyngweithiol. Too much material in the slides for Workshop B. The format of Workshop A was a |
| | lot better and more interactive. |
| 42. | Llongyfarchiadau am y trefniadau ac ar lwyddiant yr achlysur. Congratulations on the |
| | organisation and the success of the event. |
| 43. | The standard of arrangements was well above expectation!! |
| 44. | Very well organised and relevant conference. |
| 45. | Really useful, especially the opportunity to discuss with members of other Standards Committees. |
| | Raised a lot of new and interesting issues concerning the role of Standards Committees. |
| 46. | Facilities - Main conference room was dark, black walls (!). Poor lighting. The room was very |
| | cold. Doors were left open and I asked several times if door could be closed. The women present |
| | sat in their coats. |
| | Thoroughly enjoyed and learned a great deal from Workshop Session 1A. Content was thin and I |
| | felt a wasted opportunity. |
| | Pack not numbered, difficult to follow. |
| | I do not eat diary products not asked dietary requirements before attending. |
| 47. | Diwrnod buddiol - yn bennaf i glywed beth sydd yn mynd ymlaen mewn Awdurdodau eraill. |
| 48 | Buddiol iawn. |
