

Report to:	Performance Scrutiny Committee
Date of Meeting:	20 June 2013
Report Author:	Scrutiny Coordinator
Title:	Scrutiny Work Programme

1. What is the report about?

The report presents Performance Scrutiny Committee with its draft forward work programme for members' consideration.

2. What is the reason for making this report?

To seek the Committee to review and agree on its programme of future work, and to update members on relevant issues.

3. What are the recommendations?

That the Committee considers the information provided and approves, revises or amends its forward work programme as it deems appropriate.

4. Report details.

- 4.1 Article 6 of Denbighshire County Council's Constitution sets out each Scrutiny Committee's terms of reference, functions and membership, whilst the rules of procedure for scrutiny committees are laid out in Part 4 of the Constitution.
- 4.2 The Constitution stipulates that the Council's scrutiny committees must prepare and keep under review a programme for their future work. By reviewing and prioritising issues, members are able to ensure that the work programme delivers a member-led agenda.
- 4.3 For a number of years it has been an adopted practice in Denbighshire for scrutiny committees to limit the number of reports considered at any one meeting to a maximum of four plus the Committee's own work programme report. The aim of this approach is to facilitate detailed and effective debate on each topic.
- 4.4 The Committee is requested to consider its draft work programme for future meetings, as detailed in appendix 1, and approve, revise or amend it as it deems appropriate taking into consideration:
- issues raised by members of the Committee
 - matters referred to it by the Scrutiny Chairs and Vice-Chairs Group

- relevance to the Committee's/Council's/community priorities
 - the Council's Corporate Plan and the Director of Social Services' Annual Report
 - meeting workload
 - timeliness
 - outcomes
 - key issues and information to be included in reports
 - officers and/or lead Cabinet members who should be invited (having regard to whether their attendance is necessary or would add value)
 - questions to be put to officers/lead Cabinet members
- 4.5 When considering future items for inclusion on the forward work programme members may also find it helpful to have regard to the following questions when determining a subject's suitability for inclusion on the work programme:
- what is the issue?
 - who are the stakeholders?
 - what is being looked at elsewhere
 - what does scrutiny need to know? and
 - who may be able to assist?
- 4.6 As mentioned in paragraph 4.2 above the Council's Constitution requires scrutiny committees to prepare and keep under review a programme for their future work. To assist the process of prioritising reports, if officers are of the view that a subject merits time for discussion on the Committee's business agenda they have to formally request the Committee to consider receiving a report on that topic. This is done via the submission of a 'proposal form' which clarifies the purpose, importance and potential outcomes of suggested subjects. No such proposal form has been received for consideration at the current meeting.

Review of Council Publications

- 4.7 The findings of the above review were scheduled to be submitted to the Committee for consideration at the current meeting. As the Head of Service was unable to attend the meeting to present the findings, he requested that the item be deferred until a future meeting. Unfortunately, due to the summer recess and work programme commitments, the Committee could not accommodate the report on its business agenda until its October meeting. As the Head of Communication, Marketing and Leisure is due to report to Communities Scrutiny Committee in September on the restructure of his Department he suggested that both subjects could be combined in one report and presented to Communities Scrutiny Committee on 12 September. Chairs of both scrutiny committees were contacted to seek their agreement to the revised arrangements. The Chair of Communities Scrutiny Committee agreed to accommodate the report on his committee's forward work programme and, in the absence of the Chair of Performance Scrutiny Committee, the Vice-Chair of the Committee

gave his agreement to the new arrangements. As with every committee report all county councillors will have access to the report once the committee papers for the meeting on 12 September are published.

- 4.8 Members will note from Appendix 1 that five items are currently scheduled into the work programme for the Committee's next meeting on 19 September. Having regard to the information in paragraph 4.3 above on the optimum number of reports that should be considered at any one meeting, the Committee is asked to discuss whether it wishes to reschedule any of the reports listed for presentation to September's meeting, or whether it wishes to receive any of them as information or consultation reports outside of the formal meeting.

Cabinet Forward Work Programme

- 4.9 When determining their programme of future work it is useful for scrutiny committees to have regard to Cabinet's scheduled programme of work. For this purpose a copy of the Cabinet's forward work programme is attached at Appendix 2.

Progress on Committee Resolutions

- 4.10 A table summarising recent Committee resolutions and advising members on progress with their implementation is attached at Appendix 3 to this report.

5. Scrutiny Chairs and Vice-Chairs Group

Under the Council's scrutiny arrangements the Scrutiny Chairs and Vice-Chairs Group (SCVCG) performs the role of a coordinating committee. The SCVCG is scheduled to hold its first meeting of this municipal year on 27 June 2013.

6. How does the decision contribute to the Corporate Priorities?

Effective scrutiny will assist the Council to deliver its corporate priorities in line with community needs and residents' wishes. Continual development and review of a coordinated work programme will assist the Council in monitoring and reviewing policy issues.

7. What are the main conclusions of the Equality Impact Assessment (EqIA) undertaken on the decision? The completed EqIA template should be attached as an appendix to the report.

No Equality Impact Assessment has been undertaken for the purpose of this report as consideration of the Committee's forward work programme is not deemed to have an adverse or unfair impact on people who share protected characteristics.

8. What will it cost and how will it affect other services?

Services may need to allocate officer time to assist the Committee with the activities identified in the forward work programme, and with any actions that may result following consideration of those items.

9. What consultations have been carried out?

None required for this report. However, the report itself and the consideration of the forward work programme represent a consultation process with the Committee with respect to its programme of future work.

10. What risks are there and is there anything we can do to reduce them?

No risks have been identified with respect to the consideration of the Committee's forward work programme. However, by regularly reviewing its forward work programme the Committee can ensure that areas of risk are considered and examined as and when they are identified, and recommendations are made with a view to addressing those risks.

11. Power to make the decision

Article 6.3.7 of the Council's Constitution stipulates that the Council's scrutiny committees must prepare and keep under review a programme for their future work.
