*The consultation document cites Ysgol Mair as a feeder for BEJ and Ysgol Trefnant as a potential feeder for the new school. South of county Church in Wales schools have not been mentioned in the document, all of them would affect the potential catchment, moving it southward. We estimate that 78 pupils leaving Church in Wales school per year with no secondary faith provision.

* based on ESTYN figures 2007-8, total school numbers = 56, estimate 7 pupils per year.

These figures do not take into account the impact of the new Rhyll High and expanded YGC.
