

Appendix D

Report on the consultation with Pupils of Ysgol Clocaenog and Ysgol Cyffylliog.

1.0 Introduction

1.1 The School Organisation Code requires Denbighshire County Council (the proposers) to make suitable arrangements to consult with the pupils of any school which is affected by school organisation proposals.

1.2 The code says that consultation must include consultation with the school councils of schools which are affected and should also include consultation with individual pupils where this is appropriate and practicable.

1.3 The requirement has been set in respect of Article 12 of the United Nations Convention on the Rights of the Child (UNCRC) which states that children and young people have a right to have their views and opinions heard and listened to in decisions made by adults which affect their lives.

2.0 Method of Consultation

2.1 Denbighshire County Council published a separate Children's version of the Formal Consultation Document. A copy of this report can be found in Appendix D (a) at the end of this report. Copies of the children's document were provided to children of both schools.

2.2 Meetings were arranged by Denbighshire County Council Learner Voice Champion with both school councils. The meeting with the School Council of Ysgol Clocaenog took place on the 4th of October 2013 and the meeting with the School Council of Ysgol Cyffylliog took place on the 10th of October 2013.

3.0 Consultation Response

3.1 The response of meetings with the school councils and the response from the pupils who submitted separate responses are included in part 4. The issues raised by pupils who submitted a separate response have been incorporated into their school council response to ensure anonymity.

3.2 Each meeting focused on similar elements:

- What they like about their school?
- Distance to school
- Language
- Siblings at the school
- Opinion of the proposal
