

NOTICE OF MOTION PUT FORWARD BY COUNCILLOR MARK YOUNG FOR CONSIDERATION BY FULL COUNCIL

“That council officers work proactively with relevant agencies towards Rhyl receiving the awarding of the iconic Blue Flag which is one of the world’s most recognised voluntary awards for beaches, marinas, and sustainable tourism boats. In order to qualify for the Blue Flag, a series of stringent environmental, educational, safety, and accessibility criteria must be met and maintained.”

NB:

Central to the ideals of the Blue Flag programme is the aim of connecting the public with their surroundings and encouraging them to learn more about their environment. As such, environmental education activities must be offered and promoted in addition to a permanent display of information relevant to the site in terms of biodiversity, ecosystems and environmental phenomena.
