## Annual Letter 2023/24

Dear Councillor McLellan

### Role of PSOW

As you know, the role of the Public Services Ombudsman for Wales is to consider complaints about public services, to investigate alleged breaches of the councillor Code of Conduct, to set standards for complaints handling by public bodies and to drive improvement in complaints handling and learning from complaints. I also undertake investigations into public services on my own initiative.

### Purpose of letter

This letter is intended to provide an update on the work of my office, to share key issues for local government in Wales and to highlight any particular issues for your organisation, together with actions I would like your organisation to take.

### Overview of 2023/24

This letter, as always, coincides with my Annual Report – “A New Chapter Unfolds” – and comes at a time when public services continue to be in the spotlight, and under considerable pressures. My office has seen another increase in the number of people asking for our help – a 17% increase in overall contacts compared to the previous year, with nearly 10,000 enquiries and complaints received. Our caseload has increased substantially - by 37% - since 2019.

We are happy to accept and respond  
to correspondence in Welsh.

During 2023/24 we considered and closed more enquiries and complaints than we ever have done before, and we reduced the average cost for each case and investigation. We started the year with a focus on reducing our aging cases, those over 12 months old, by 50% by the end of the year. These cases are often the most complex and distressing for the people making the complaint. I am extremely pleased to say we exceeded this target, reducing our aged investigations by over 70%. We are now well on track to meeting our objective to complete investigation of complaints within 12 months.

## **Public Services Complaints and compliance with recommendations**

In total 1,108 complaints about local authorities were made to us last year – broadly the same number as the previous year. During this period, we intervened in (upheld, settled or resolved at an early stage) 14% of local authority complaints – a similar proportion to recent years.

We received 30 complaints about Denbighshire County Council in 2023/24 and closed 32 – some complaints were carried over from the previous year. Denbighshire County Council's intervention rate was 6%. Further information on complaints about your organisation can be found in the appendices.

We made 5 recommendations to your council during the year. To ensure that our investigations and reports drive improvement, we follow up compliance with the recommendations agreed with your organisation. In 2023/24, 6 recommendations were due (some recommendations were made in the previous year) and 67% were complied with in the timescale agreed. The remainder were complied with, but outside the timescales agreed, or remained outstanding as at 9 April 2024.

Recommendations and timescales for complying with recommendations are always agreed with the public body concerned before being finalised, and we therefore expect organisations to comply within the timescales agreed.

## **Our Code of Conduct work**

My role is to investigate allegations that councillors have breached their Code of Conduct. Where an investigation finds evidence to support the complaint on a matter which is serious enough to require a referral in the public interest, these cases are referred either to the local Standards Committee or to the Adjudication Panel for Wales for consideration.

In 2023/24, we received 16% more Code of Conduct complaints than the previous year, relating to both Principal Councils and Town and Community Councils. My office made 21 referrals – to Standards Committees or the Adjudication Panel for Wales, an increase from 12 the previous year.

I am grateful to your Monitoring Officer for their positive engagement with my office over the last year. We will continue to engage with them on matters relating to the ethical standards framework, including Local Resolution Procedures this year.

## **Independent Review**

As you will be aware, I became aware of inappropriate comments, of a political nature, made by a member of my staff via social media. These comments were widely reported in the media. The member of staff in question was suspended and subsequently resigned. However, the comments prompted questions about my office's work on councillor Code of Conduct cases.

In view of the seriousness of the matter, I commissioned Dr Melissa McCullough to conduct an independent review of our Code of Conduct work, and I have published the full [Terms of Reference](#) for that review. I and my staff are engaging closely with the Monitoring Officer Group and the National Forum for Standards Committee Chairs in relation to this matter. I will be publishing Dr McCullough's final report on completion of the review and sharing it with the Senedd's Finance Committee this Autumn.

## **Supporting improvement of public services**

We continued our work on supporting improvement in public services last year and worked on our second wider Own Initiative investigation. The investigation includes four local authorities and considers carers' needs assessments. I am grateful to the investigated authorities for their co-operation and candour throughout the year, and we look forward to sharing our finalised report this Autumn. This will make recommendations to the investigated authorities and will ask all local authorities across Wales to make similar improvements.

We have continued our work on complaints handling standards for public bodies in Wales and now have 56 public bodies following our model complaints handling policy. These public bodies account for around 85% of the complaints we receive. We have continued our work to publish complaints statistics, gathered from public bodies, with data published twice a year.

We continued our work to publish complaints statistics into a third year, with data now published twice a year. This data allows us to see information with greater context – for example, last year 10% of complaints made to Denbighshire County Council's went on to be referred to PSOW.

## **Action we would like your organisation to take**

Further to this letter can I ask that your Council takes the following actions:

- Present my Annual Letter to the Cabinet and to the Governance and Audit Committee at the next available opportunity and notify me of when these meetings will take place.
- Consider the data in this letter, alongside your own data, to understand more about your performance on complaints, including any patterns or trends and your organisation's compliance with recommendations made by my office.

- Inform me of the outcome of the Council's considerations and proposed actions on the above matters at the earliest opportunity.

I would like to thank you, and your officers, for your continued openness and engagement with my office. Our information shows that local authorities are looking into more complaints than ever before and are using information from complaints to deliver better outcomes for the people of Wales.

Yours sincerely,

Handwritten signature of Michelle Morris in black ink.
