Cashless system	

To be replaced with built-in integrated accessible facility with a cashless system

Alternative use suggestion if site decommissioned

Advised by Property Services

Disciussion to encorporate into DLL lease,
DLL to operate toilets on reduced hours and
during events

Investigate alternative uses.

Discussion to be had with DLL to encorporate into their lease, possible storage.

Demolition

Community groups very active at Botanical Gardens, recommend discussions with other tenants on site.

Encorporate to DLL lease, DLL to operate toilets

_

DCC does not have clear title, Demolish (understand the Town Council do not want to retain).

Disposal on open market unless a community organisation makes an approach, central location opposite bus stop. No interest then demolish.

Parking on site, location close to community facilites and public transport. Potential asset transfer/ disposal, no interest demolish.

-

Ruthin TC offered to transfer following refurb

RTC interested in taking on for storage No identified need in Ruthin for 2 facilities
