The likely impact on Denbighshire, Wales and the world

A prosperous Denbighshire

Overall Impact

Positive

Justification for impact

An effective Treasury Management strategy ensures that the Council's investment and borrowing decisions will contribute towards the goal of maximising income and minimising costs which supports efficient service delivery.

Further actions required

Sound financial planning and efficient long term treasury management strategies ensure that the positive impact of this report on the County's prosperity is maximised.

Positive impacts identified:

A low carbon society

Not applicable

Quality communications, infrastructure and transport

Financial planning and decision making ensures that proper consideration of the long term impact of financial decisions is given, including the payback period and whole life costs of capital investment decisions, properly impact assessed budget proposals and long term debt and investment (treasury management) strategies.

Economic development

The Treasury Management strategy and Prudential Indicators ensure that the Council's cash is safeguarded as much as possible by making investments in banks recommended in the annual strategy statement.

Quality skills for the long term

The strategy ensures that the Council's borrowing is monitored and is within set limits and is affordable. It identifies current financing requirements for the Capital Plan and estimates the proposed capital requirements for the next three financial years.

Quality jobs for the long term

Sound investment and borrowing decisions relating to the Council's cash will maximise the Council's income within the guidelines set in the Treasury Management strategy.

Childcare

The Prudential Indicators are a statutory requirement which demonstrate the affordability of our plans and contribute towards the overall financial wellbeing of Denbighshire.
